4 TELEVISION BOOKING/ MOVEMENT POLICY

- 4.3 Moving or amending bookings within a Special Event or Pack will be at the sole discretion of Sky (subject to the Special Terms, if any). If the booking is moved or amended, it will be rebooked at the current rate as applied to the new placement and new discounts applied (and if moved or amended after the booking deadline, may be subject to a cancellation fee).
- 4.4 Bookings moved outside a specified period, where a volume airtime agreement is in place between Sky and the Agency or Advertiser for the placement of television commercials in a particular time period, incur a 100% cancellation fee unless otherwise specified in the volume airtime agreement.
- 4.5 If a programme has been replaced by Sky and designated part of a Special Event or Pack then existing bookings may be moved by Sky to an alternative placement as close to the original date and time as possible and/or reallocated to an appropriate alternative placement of equivalent value.
- 4.6 Where booking durations are: (i) extended, the entire duration will be booked at a revised rate; or (ii) reduced, the entire duration will be booked at a revised rate.

5 CHANGE OF AGENCY

- 5.1 Agencies changing name, Advertisers changing Agencies or engaging an additional Agency, or Advertisers otherwise ceasing to use a particular Agency's services ("**agency changes**") must be advised to Sky in writing in advance, stating the products or services involved.
- 5.2 Sky will action agency changes to commence the following month where the commencement of the following month is no less than 10 working days from the date of notification.
- 5.3 Agency changes cannot be implemented for a partial month.
- 5.4 Upon any agency change, the Advertiser must fulfill all obligations it or the previous Agency has to Sky pursuant to any agreements or arrangements entered into with Sky by the previous Agency on the Advertiser's behalf. The Advertiser will continue to be jointly and severally liable pursuant to clause 12.11 of these Terms for the obligations of the previous Agency, notwithstanding the terms of any arrangements between the Advertiser and the previous Agency.

6 SPONSORSHIP & COMPETITIVE PRODUCT PLACEMENT

- 6.1 Sky reserves the right to adjust existing bookings in order to accommodate a programme sponsor's advertising or to avoid a product conflict, at Sky's discretion. In such circumstances, bookings may be moved by Sky to an appropriate alternative placement of equivalent value.
- 6.2 Sky endeavours to make sure that an Advertiser's television commercial is not telecast within close proximity of a competitor but accepts no liability if for any reason there is such proximity of competing products.

7 DISCOUNTS

- 7.1 Any applied discounts are at the sole discretion of Sky and may only be valid for select placements or time periods negotiated at the time of booking.
- 7.2 Sky retains sole discretion to determine whether a discount should apply or continue to apply in situations where Advertisers undergo change of name, ownership or control.

8 BREAK POSITIONING

- 8.1 For television commercials:
- (a) Fixed Break Positioning within a programme or break will be charged extra at Sky's discretion and at no less than an additional 10% of the negotiated value of the programme rate or as an agreed premium on the negotiated CPT.
- (b) Premiums for specially created breaks will be charged extra at Sky's discretion at no less than the highest rate of the corresponding programme at the appropriate duration loading plus 50%.

9 TERMS OF PAYMENT

- 9.1 Payment for Advertising must be made by the last working day of the month following invoicing. All payments due to Sky for Advertising, or otherwise in connection with these Terms, must be made in New Zealand dollars unless otherwise agreed in writing by Sky prior to the due date for payment.
- 9.2 If payment of any invoice is not received by Sky in accordance with clause 9.1, Sky may:

- (b) Charge interest on any unpaid sums at a rate of 2% per month until payment is made in full.
- 9.3 Any GST or other governmental or industry taxes, levies, imposts and similar amounts must be borne by the Advertiser or Agency. Sky's

- 9.4 Sky invoices Agencies and Advertisers on or about the end of each month, and Agencies must invoice Advertisers on the same basis. Overnight Download Files do not constitute payment advice and Sky accepts no responsibility for Agencies billing clients based on Overnight Download Files before Sky's invoice is issued at month end.

10 SKY RATES

- 10.1 Sky reserves the right to change its rates at any time without notice.
- 10.2 Television commercial time is sold in standard units of 15, 30 and 60 seconds. Other lengths are subject to approval and contingent on specific channel placement. For standard programming, each unit is sold at Sky's duration loading of the 30 second rate. Special Events or Packs may be costed in multiples of the 30 second rate or as detailed at the time of release.

11 TERMS FOR SPECIFIC SKY BOOKING ARRANGEMENTS

- 11.1 In relation to television commercials:
- (a) Sky predicts ratings based on actual past performance but is not liable for variations in actual ratings.
- (b) All performance measurements are based on consolidated ratings i.e. all ratings within a seven day period from the initial broadcast.
- (c) For guaranteed TARP or CPT deals for audience demographics outside of Sky's designated core trading demographics, both Sky and the Advertiser/Agency must agree to the target and the ratings objective. In such circumstances where: (i) the audience sample size for the desired demographics is less than 75 in Sky Homes for the Sky channels (except Prime) and is less than 100 in National Homes for the Prime channel; or (ii) the target objective is reviewed as unrealistic, then Sky will consult with the Advertiser/Agency on a more appropriate measure of performance.
- (d) If Sky has not achieved 95% of the rating objective on a guaranteed TARP or CPT deal, then Sky will provide Advertisers with make-good airtime to achieve the target level. Performance of 95% of target or above will not require a make-good.
- (e) Make-good airtime is subject to availability and will be placed at Sky's discretion.
- (f) Sky may, in its sole discretion, remove airtime from any future bookings in which a guaranteed TARP or CPT deal is in place, due to the over performance of

recently telecast bookings. Sky will notify the Advertiser/Agency of this.

- (g) Where Sky shares the onus of responsibility for the under-performance of any guaranteed TARP or CPT deal with the Advertiser/Agency, then at Sky's discretion, an alternative appropriate and mutually agreed remedy may be instigated in consultation with the Advertiser/Agency.
- (h) Specific Sky booking arrangements such as guaranteed TARP or CPT deals will be subject to additional terms and conditions, as agreed.

- publication/transmission) without the need to give any reason or prior notice to the Advertiser or Agency.
- 12.7 **Indemnity:** The Advertiser and/or Agency agree to indemnify Sky against all actions, claims, damages and costs (including legal fees on a solicitor-client basis) incurred arising directly or indirectly in respect of any Advertising placed at the request of the Advertiser or Agency (including any costs of correction or amendment to any Advertising).

- 12.14 **Severability:** Any unlawful or voidable provision in these Terms shall be read down so as to be valid and enforceable or, if it cannot be read down, will be severed from these Terms without affecting the validity, legality or enforceability of the remaining provisions, provided the reading down or severing does not materially affect the purpose of or frustrate these Terms.
- 12.15 **Governing law and jurisdiction:** These Terms are governed by New Zealand law and the courts of New Zealand shall have non-exclusive jurisdiction in any proceedings relating to them.
